

## Educational Books & Materials

### Books Authored by Pat Pavelka

**1-8**  
flip tab  
\$12.95

#### Differentiated Assignments

This book demonstrates how to differentiate the daily assignments teachers give students. Teachers plan one activity that can be completed by students of different ability levels.

**1-3**  
158pp.  
\$19.95

#### Guided Reading Management:

#### Structure and Organization for the Classroom

This book is a comprehensive manual showing educators how to structure and manage their guided reading program.

**1-5**  
160pp.  
\$19.95

#### Create Independent Learners:

#### Teacher-Tested Strategies for All Ability Levels

This book is full of ideas, strategies and activities to help all ability-level students become independent learners.

**K-2**  
136pp.  
\$19.95

#### Making the Connection:

#### Learning Skills Through Literature

Pat demonstrates how to move toward creating a literature-based reading program that actively involves students in learning.

(one book for grades K-2, one book for grades 3-6)

**3-6**  
144pp.  
\$19.95

Educational Activities  
Included in These Books!

### Children's Books by Pat Pavelka

with Learning Link Pages for Teachers

32 pp.  
color  
\$7.99

#### Foodle

Foodle is a fascinating fish with an "interesting" attribute. He is also a little uncertain of the deep, dark, mysterious ocean where he lives. One day he comes face-to-face with a gigantic baleen whale...

32 pp.  
color  
\$7.99

#### The Adventures of Victor

Victor the Cat loved his life and friends in the city. One day his family moved to the country, which was a dramatic change for him. The sounds, smells, and animals were as strange to Victor as he was to them. Then an incident happens...

CD \$6.99  
Cassette Tape \$5.99
